

LG CG180

The sporty, compact CG180 makes communicating simple. A speakerphone allows for easy, hands-free talking, and a voice memo recorder gives you the chance to capture brilliant ideas while on the go. Enjoy pre-installed gaming, download ringtones, and store up to 500 contacts. Keep in touch with family and friends quickly and silently via text messaging. You can even surf the Net for the latest news, sports, and weather updates via MEdia Net. Get all of these features in a device that weighs less than 2.5 ounces!
