

Motorola Backflip

Introducing the Motorola Backflip™ AT&T's first handset to feature the Android OS. The Backflip combines a revolutionary backflip design with MOTOBLUR™, a new way to connect to favorite people, content and applications. MOTOBLUR's unique Happenings widget combines your friends' emails, status updates, photos and more, all right on your home screen. No logins, no apps. With its one-of-a-kind back flip hinge and BACKTRACK navigation panel, it's a phone that opens and searches like no other. Type with ease, view pictures and videos hands-free in table-top mode and navigate completely unobstructed. This combined with features like WiFi, a 5 MP camera and AT&T's fast 3G network for superior browsing puts the world literally at your fingertips!
