

AT&T USBConnect Velocity

Speed in motion — laptop connectivity with GPS. A powerful combination: The AT&T USBConnect Velocity provides laptop connectivity on the nation's fastest 3G network* with added storage portability and GPS functionality to keep you more productive while on the go.

- Quickly and easily access your email, the Internet, and your essential business applications from your laptop even when away from your home or desk.
- Get what you need fast on the nation's fastest AT&T 3G network.
- Enjoy usage in more than 20,000 AT&T Wi-Fi Hot Spots in the U.S. with a qualifying DataConnect rate plan and a Wi-Fi enabled laptop.
- Travel the world and stay connected globally to information and entertainment with data roaming in more than 185 countries.
- Get started right away with plug-and-play installation for Microsoft® Windows® 7, Vista, and XP and Apple Mac® OS (v 10.4.11 or later).
- Travel with confidence knowing that the smart, retractable design reliably protects the USB port from damage when you're on the go.
- Pack lighter by using the microSD™ slot to store, back up, and transfer files with up to 32 GB of additional storage (microSD sold separately).
- Improve customer satisfaction and response time with the GPS tracking capabilities of Xora GPS Locator and TeleNav Track™ LITE.
- Save time by obtaining relevant results when used with GPS enabled Web sites.

Technical Specifications

Wireless Technology GSM/GPRS 850/900/1800/1900 MHz

3G 850/1900/2100, HSUPA 2.0Mbps

EDGE high speed data network/HSPA 7.2

Max transfer rate Certified for 7.2 Mbps on 3G networks

Cellular Enhancement Protocol

GSM/GPRS/EDGE UMTS/HSDPA/HSUPA

Antenna Integrated

Integrated microSD slot,

Self installing connectivity software

LED status indicators

Built-in GPS

Supported OS Windows 7, Vista, XP, Mac OS (v10.4 or later) compatible
