CLARiTYLife®

More than just a mobile phone, this is mobile peace of mind.

The ClarityLife C900 gives you the freedom to stay connected with the ones you love and know that help is available wherever you go.

- Easily place and receive calls with large 4-button operation
- See clearly with the large backlit screen and large text size
- Hear every word loud and clear with up to 20 dB amplification
- In case of emergency, get help quickly by pressing the red emergency button

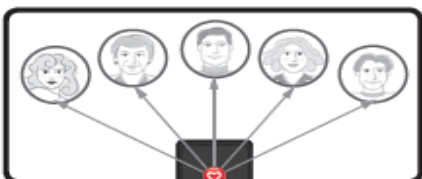

How does ClarityLife® work?

Are you in need of assistance right away?

Press the red heart button on the back of your phone.

ClarityLife calls and sends text messages to five pre-programmed numbers to connect you with a loved one who can help.
